

Burton Model Jo Norton's heart to heart over the DFS adverts

The Dillons family in the DFS adverts has been a hit with Burton model Jo Norton who plays the mum in the lively sofa TV adverts.

"I have been called by friends I have not seen for ages who saw the ads all across the country and in France. It is a brilliant way to keep in touch – people just ring to see if it is me and yes it is!"

The straightforward clips of families sitting on nice comfy sofas ran from Boxing Day.

Sam Hollins Aussiebums Adventures.....

Blue eyed 6ft 3inch Sam Hollins from Borrowash in Derbyshire is making quite a stir with a new boxer short company – Aussiebums. He has just returned from a shoot in London with the fashion savvy company – already rivalling brands such as [Calvin Klein](#) and [Dolce&Gabbana](#). The company is known for its highly creative products, such as Essence underwear; which contains vitamins locked in the fibre which releases into the skin. Sam certainly enjoyed seeing his assets across the London Underground and stores like Harvey Nichols.

Special Events coming....

- Red Cross fashion Show at the Belgrave Rooms, Nottingham, Thursday 26th March. Shows 1pm & 7pm
- Preview Prom Evening at the Nottingham Belfry Hotel on Monday 16th March from 6pm until 9.30pm.

"All my family just laugh, said Jo, "but the commercial shoots are quite strenuous."

"It may only be shown for 30 seconds but that was a full day of filming and a second day of doing still shots to get the right look for the adverts in magazines.

"I am just delighted that I am putting a positive message out for British manufacturers and families in these credit crunch times."

**is now sized
glamour life**

Lesley Foster has been represented by Stanley's Models for over 18 years and returned to the agency once again after her third child.

Lesley was chosen from many plus size models in Oct 08 to launch Celebrityslim here in the UK. Lesley has gone from a size 16/18 to a size 12 and after her two stone weight loss appeared in national magazines and can be seen on the TV commercials.

Lesley said: "I loved having my children but when you have been a model, you want to get back into shape so you can carry on.

"Celebrityslim gave me the motivation and helped me to step up a gear and I lost more than two stone. I am delighted and the best bit was winning. It has raised my profile and I love the way I look now."

Breaston Anne knows her cards so well....

Mature model Anne Dorian as recently taken the starring role on several humorous greeting cards.

The Wild East Card Company chose Anne for her great sense of humour and the versatile looks that she could create.

Anne's favourite was taking on the role of local heroine Maid Marion - but if you fancy another look spot her cards as a cowgirl, nurse or traffic warden!

She loved the way he picked her lock!
