

We at Electric Rainbow Entertainments will always put Safety first, so to avoid disagreements on the day **please Please PLEASE!!!!**

MEASURE YOUR GARDEN Carefully BEFORE WE COME TO DELIVER

Thank you.

Bouncy Castle Space Required to Erect a bouncy castle Safely

<u>12' Bounce & Slide</u>	<u>Princess</u>	<u>Unit Height</u>	<u>Total Space required</u>
Blower & Inflation Tube Front Safety Fall off Mats Castle Length including Step Castle Width WITH SAFETY area 18 feet	5 feet long 3 x 6 feet each mat 18 feet Long 13 feet Wide to the pegs	9 feet 5 inches	9' 5" High x 26' Long x 18' Wide

It is Recommended that a space of 1 metre or 36 inches is left clear around the whole of the castle to allow for the castle to "SWAY" from side to side.

Thank you.
